ZF25A Transmission

ACCESSORIES

TROLLING VALVE AVAILBLE ON ALL ZF HYDRAULIC GEARBOXES	£327
SHIFT CONNECTION KIT	£48
BORG WARNER TO ZF25A Adapter	£61
OIL COOLER KITS FROM	£128

These gearboxes were in stock of major engine manufacturers and have been stored for some time in good warehouse conditions.

Because of the length of time since they were dispatched from the factory, there is no factory warranty on them, however we will guarantee them as being fit for purpose, provided they are used within manufacturers published operating conditions and ratings.

Restitution will be limited to the free exchange of a faulty box, at our works within 90 days of sale or refund of purchase price only, depending on stock position at the time of return.

All boxes are offered subject to remaining unsold and terms are strictly payment with order. Add V.A.T. to all prices as applicable
